

Installation of French Wav Packs 16K for SVXLink

4 different french 😊 voices have been created

Here is the download process of them:

If **git** (Software to use GitHub) is not installed on your system, use the following command:

```
sudo apt-get install git
```

You must go to the directory where you want to copy files, the command will create a directory with the name of the pack, for example: fr_FR_Agnes

Commands for downloading audio 16K packs are the following, each of them contains 635 wav files compatible with SvxLink:

```
sudo wget http://f8asb.free.fr/blog/fr_FR_Agnes.zip
```
